“Senator Darling is the definition of a public servant and a champion for Wisconsin. Her tenacious advocacy for a quality education for all Wisconsin children, regardless of zip code, has lifted thousands out of poverty. Senator Darling’s leadership has returned billions of dollars to Wisconsin taxpayers. And Wisconsin will see the benefits of her promotion of mental health treatment for generations

“Alberta served and voted for the right reasons – to make all of Wisconsin a better place. Alberta is a great friend and colleague. Her counsel and wisdom in Madison will be missed, but she has truly earned her retirement and time with her family.”
