Yesterday, the people of our state re-elected Tony Evers as Governor. Senator Melissa Agard (D-Madison) released the following statement:

“The people of Wisconsin have reaffirmed their support for Governor Tony Evers and Attorney General Josh Kaul. Governor Evers and Attorney General Kaul have and will continue to prioritize the working people of our state, support our public schools, protect voting rights, advocate for reproductive freedom, fight for clean water, and support common sense gun safety reform. It’s past time the gerrymandered Republican Legislature joins us in prioritizing the resounding voices of Wisconsinites rather than remaining beholden to their special interests.”
