Madison... Speaker Robin Vos (R-Rochester) released the following statement after Special Counsel Gableman's election investigation report.

"I'd like to thank the Office of Special Counsel for their tireless efforts in finding the truth. They've done a good job at showing there were issues in 2020, and the report is intended to 'help correct these processes for future elections.' Unfortunately, we're experiencing obstruction by litigation, and must first get through the nine separate lawsuits that have been filed to allow us to complete the review."
