Sturtevant, WI — Less than one week ago, President Trump posted the following on Truth Social: *"So what's Speaker Robin Vos doing on the Great Wisconsin Supreme Court Ruling declaring hundreds of thousands of Drop Box votes to be illegal? This is not a time for him to hide, but a time to act! I don't know his opponent in the upcoming Primary, but feel certain he will do well if Speaker Vos doesn't move with gusto. Robin, don't let the voters of Wisconsin down!"* In response to President Trump's post, Adam Steen has released the following statement:

Dear President Trump,

My name is Adam Steen, a proud **America First Conservative**, and I am challenging RINO Robin Vos on August 9th in the Wisconsin Primary election. I am honored by your recognition of my candidacy in this critical race for not only the 63rd Assembly District, but for the impact it will have upon the entire State of Wisconsin.

To the detriment of Wisconsin voters, Speaker Vos has already expressed his weak "solution" to the momentous WI Supreme Court ruling on the illegal drop boxes—*"Our next step has to be electing a new governor who will sign additional election reforms."*

Yet again, the Speaker has proven he no longer serves the interests of WE THE PEOPLE!

As representative of the 63rd Assembly District, I can assure you and those of the

63rd District that I will take the oath of office very seriously; I will support the Constitution of the United States and the Constitution of the State of Wisconsin.
NOW is the time to put Wisconsin and America FIRST!

Respectfully,

Adam Steen

America First Conservative Candidate for Wisconsin's 63rd Assembly District
