Police Officers:

There has never been a tougher time to be a police officer.

Fighting crime with fewer resources.

And now, a raging fentanyl crisis.

And that’s why we need leaders who always have our back.

And Bryan Steil always has our back.

Bryan Steil:

Everyone deserves to feel safe in our communities. Everyone.

That's why I've fought for law enforcement officers every step of the way.

And partnered with them to stop this terrible fentanyl epidemic.

I'm Bryan Steil and I approve this message because I will never stop working for them. Or you.
