JANESVILLE, WISCONSIN — Today, Congressman Bryan Steil's campaign announced that Steil's campaign committees raised nearly \$600,000 in the first three months of the year. The Steil for Wisconsin campaign has over \$1.5 million cash on hand. In the first quarter of 2022, Steil raised more than 5 times the amount raised by his opponent and has 20 times more cash on hand.

Congressman Bryan Steil (WI-01) issued the following statement:

"I'm thankful for the tremendous support our campaign continues to receive throughout Wisconsin. Grassroots supporters are energized and the momentum is on our side. Our country needs to change course. Americans are fed up with the failed policies of Joe Biden and Nancy Pelosi. Families and workers in our communities are being punched in the face by rising prices. This November is our chance to end the one-party rule in Washington, cut runaway spending, and restore our way of life."
