JANESVILLE, WISCONSIN — Today, the Steil for Wisconsin campaign announced that the committee raised more than \$300,000 during the fourth quarter of 2021. With a little over nine months to go until the election this November, the campaign has over \$1,300,000 cash on hand.

“I’m grateful for the continued encouragement and grassroots support our campaign continues to receive from people across Wisconsin. The energy is on our side. The policies of President Biden and Speaker Pelosi are clobbering families and workers across our state and nation. This November, we must take back the House to stop the out of control spending, prevent government overreach, and restore our way of life. Big Government policies have failed us. This fall is our chance to change course. I will continue to fight for Wisconsin, freedom, and opportunity for all,” said Congressman Bryan Steil.
