

# Thompson featured in Michels ad

Posted on Tuesday, Oct 11, 2022

GOP gov candidate Tim Michels launched a new TV ad tomorrow featuring former Gov. Tommy Thompson, who says the construction exec has a plan to fix Wisconsin.

Michels' campaign said the ad will begin running in Milwaukee and Madison starting tomorrow.

Thompson says in the ad he's never seen Madison "quite this bad" and a gov needs to lead, bring people together and focus on what matters, but that's not happening. Thompson says Michels will fix that.

"Tim doesn't need another paycheck," Thompson says. "He's running because he loves Wisconsin, and he's got a plan to fix it. That's why I'm voting for Tim, and I hope you will as well."
