[Fond du Lac, WI...] Eric Toney, Fond du Lac County District Attorney and law enforcement's choice for Attorney General, today released the following statement in response to the Milwaukee County Board of Supervisors advisory referendum votes:

"Today members of the Milwaukee County Board hijacked non-partisan local government for partisan political gain. It's a familiar song from the Democrats as they attempt to recreate their 2018 election playbook with a government sponsored Get Out the Vote scam for the Democrats. All in an effort this November to distract from Milwaukee's historic murder and drug deaths and the failed leadership of Josh Kaul and Tony Evers. When the Milwaukee murder clearance rate is below 50% it is not the time for these silly partisan gimmicks."

"I encourage the Board to focus their efforts on the crime and life and death public safety issues facing Milwaukee, instead of serving as Get Out the Vote Captains for Tony Evers, Josh Kaul, and the Democrats."
