MADISON, Wis. – Yesterday, the Volunteers for Agriculture Committee – the political arm of the Wisconsin Farm Bureau Federation – [announced their endorsement](#) of Eric Toney for Wisconsin’s Attorney General.

Fond du Lac County District Attorney and law enforcement’s choice for Attorney General, Eric Toney, released the following statement: “I am honored to receive the endorsement of the Volunteers for Agriculture. Wisconsin’s agriculture industry is critical to the success of our state’s economy. Farmers need a partner at the Department of Justice who will work with them – not against them. Farmers, like all law-abiding citizens, work hard to follow the law, and I will work just as hard to provide certainty and predictability to farmers so that our agriculture industry can flourish.”
