[Fond du Lac, WI...] Eric Toney, Fond du Lac County District Attorney and law enforcement's choice for Attorney General, today released the following statement following the rollout of his newest radio ad:

“Wisconsin is experiencing historic levels of crime and violence. The answer isn't legalizing drugs or on-the-job learning. We need a prosecutor right now who'll partner with law enforcement to put criminals behind bars and restore the Department of Justice's mission of fighting crime. I have the support, vision, and passion to serve as Wisconsin's next 'top cop'.

“We're taking our message of fighting crime and protecting our freedoms to the voters. With the endorsements of Congressman Glenn Grothman, Wisconsin Right to Life, Wisconsin Family Action, the Fraternal Order of Police, the Milwaukee Police Association, the Racine Police Association, and over 100 Sheriffs, District Attorneys, and Police Chiefs I am the candidate that can unite the Republican Party and put Josh Kaul on trial for his failed record. As our momentum continues to build we will continue to highlight the reasons I am the only candidate who can beat Josh Kaul in November.”
