**WASHINGTON, DC** – Today, Congressman Scott Fitzgerald (WI-05) issued the following statement in response to President Volodymyr Zelenskyy's address to Congress:

*"I admire the resolve of the Ukrainian people, and I was moved by the powerful speech delivered to Congress this morning by President Volodymyr Zelenskyy.*

*"President Zelenskyy's message was loud and clear: democratic nations must continue to provide support to Ukraine in its fight against tyranny. Hundreds of innocent lives have been lost, and the fight has only just begun. President Biden must immediately unleash the full power of economic sanctions on the Russian economy and provide Ukraine with the resources they need to deter Putin and end this tragic conflict. Only then can we move forward with peace."*
