WASHINGTON, DC – Today, Congressman Scott Fitzgerald (WI-05) received an “A+” rating on the [Susan B. Anthony \(SBA\) List National Pro-Life Scorecard](#) for his pro-life voting record and actions during the first session of the 117th Congress.

*“When I came to Congress, one of my first priorities was to support legislative efforts to protect the sanctity of life, empower the moral conscience of employees and organizations, and to block funding that forces taxpayers to foot the bill for abortions,” **said Congressman Fitzgerald.** “Thanks in no small part to the Susan B. Anthony List, the pro-life movement is alive and stronger than ever here in Congress. I am honored to have received an A+ rating on this year’s National Pro-Life Scorecard, and I look forward to continuing my advocacy for pro-life rights.”*
