**WASHINGTON, DC - U.S. Representative Mark Pocan (WI-02)** issued the following statement in response to a report released by former Justice Michael Gableman questioning the legitimacy of the free and fair 2020 presidential election in Wisconsin:

**“Justice Gableman’s pointless investigation was an amateur clown show from the beginning. Not only was this incompetence a national embarrassment, but an enormous waste of tax dollars, yielding nothing but a set of recommendations that attack our democracy. It’s time for the GOP to end this charade, start working for the American people, and accept that Joe Biden won the election nearly 16 months ago.”**
