WASHINGTON, DC – Today, Congressman Bryan Steil (WI-01) issued the following statement after Ukrainian President Volodymyr Zelenskyy addressed Members of Congress.

“President Zelenskyy continues to show steadfast leadership amidst the unjust, unproved attack from Russia. His message to Congress was clear: the United States must stand in support of Ukraine. To support Ukraine, it imperative that we increase U.S. domestic energy production and end Europe’s reliance on Russian oil and gas. I stand with the people of Ukraine in their fight for freedom.”
