APPLETON, Wis. – Outagamie County Executive and pro-labor populist U.S. Senate candidate Tom Nelson is honored to receive the endorsement today of former U.S. Senate candidate Jeff Rumbaugh. As an outstanding advocate for people with disabilities, Rumbaugh has served the people of Wisconsin with honor.

Rumbaugh said the following in his endorsement:

“After hearing from everyone, we realize that the only candidate who truly understands the seriousness of global warming, the fight for democracy, and now the only true progressive in the race, is clearly Tom Nelson. Unlike all the other candidates, “green energy” is not just a talking point. Our campaign, and all it stands for, is proud to endorse Tom Nelson for U.S. Senate, and we ask that you do as well. There is nothing FAKE about Tom Nelson – he is a REAL leader, with REAL understanding – not just money and a list of talking points.

Tom Nelson is the candidate whose leadership is worth more than money.”
