PRAIRIE DU CHIEN, WI -While Brad Pfaff may have tried to avoid talking about President Biden and the failed Biden agenda during his primary, one thing is clear: Brad Pfaff is Joe Biden's Handpicked Candidate.

[Pfaff was endorsed by President Biden in 2020](#), and thanked Biden saying they shared many of the same values. Pfaff said "together, we're going to roll up our sleeves and get to work building a brighter future for our state."

What does that brighter future look like to Brad Pfaff? Exorbitant energy costs, out of control inflation, an open border creating a pipeline for deadly drugs like fentanyl, much of which is flowing right through Western Wisconsin.
