PRAIRIE DU CHIEN, WI – Today, the Congressional Leadership Fund (CLF) released its first round of 'Trailblazer' endorsements in the 2022 cycle, naming Derrick Van Orden as one of the 11 newly endorsed candidates.

The CLF's Trailblazer endorsements recognize "standout candidates with demonstrated records of significant achievement and impressive character, who have also met ambitious benchmarks for campaign organization, fundraising and grassroots outreach."

CLF is the House Republican PAC endorsed by Leader Kevin McCarthy, Whip Steve Scalise, and all of the GOP House leadership. They are committed to electing Republican leaders like Derrick Van Orden and the 10 other endorsed candidates noted in today's announcement to build a stronger future for our nation.

Fox News covered this morning's announcement and why this support is so critical for candidates working to flip the House in November. Check out their coverage [here](#).

"Thank you to the Congressional Leadership Fund team for your support of my campaign to bring real leadership back to Western Wisconsin," Van Orden said in response to today's announcement. "Republicans across the country are United, Organized, and Fired up to Fire Pelosi!"
