PRAIRIE DU CHIEN, WI – Today, the Tavern League of Wisconsin announced their endorsement of Derrick Van Orden for Congress in Wisconsin's 3rd District. Citing his record as a small business owner, his commitment to reducing inflation, and his career of service to this country, the Tavern Leagues joins the National Federation of Independent Businesses, 16 Sheriffs, the Wisconsin Fraternal Order of Police, and the Milwaukee Police Association as organization's backing Derrick to get American back on track.

Keith Kern, President of the Tavern League of Wisconsin, released the following statement accompanying the endorsement of Derrick:

"Derrick Van Orden knows what it takes to run a business, to support a staff, and to stay within a budget. Derrick is the leader Western Wisconsin needs for small and family owned businesses like Wisconsin taverns to grow. We're proud to support Derrick and his record of service to this nation, and the service yet to come as the next Congressman of the 3rd District."

Derrick Van Orden released the following statement thanking the Tavern League for their endorsement

"As a former member of the Tavern League, I know how hard the disastrous Biden administration policies have been on these great businesses. From forcing them to lock their doors to paying people to not work, to driving up every input cost across the board. I am so thankful for their endorsement and am looking forward to working for them as their next representative."
