PRAIRIE DU CHIEN, WI – Derrick Van Orden spent Halloween talking about the scary future of this country if Democrats retain control of Congress during a day spent in La Crosse County.

Derrick started off at Leading Edge Chiropractic talking about their patient care strategies and how he can help their business grow as the next representative of the 3rd Congressional District before heading over to Wiebke Fur & Co.. No county tour day is complete without a check in with the local Sheriff, so Derrick met with Sheriff Jeff Wolf, one of the 16 Sheriffs who have endorsed his candidacy, and toured the La Crosse County Jail with him. To close out the day, Derrick met with Ed O'Brien, an entrepreneur whose businesses were severely impacted by Joe Biden's rampant inflation.

In 7 more days, Wisconsinites will make their voices heard and send Derrick Van Orden to Congress to fight for them, not Washington special interests.
