PRAIRIE DU CHIEN, WI – The Van Orden for Congress campaign is today announcing that Derrick raised more than \$900,000 in the first quarter of 2022, continuing to display the overwhelming support that he has received throughout his campaign to be the next Congressman of Wisconsin's 3rd District.

The campaign currently has \$1.8 million cash on hand and is poised to continue building on that as November approaches.

Derrick Van Orden released the following statement accompanying the fundraising announcement:

Americans are fed up with the radical policies of the left and are Fired Up to Fire Pelosi. From out of control spending that is driving up costs for families to chaos at the border leading to record drug overdoses, we need to flip the House in November and stop Biden Administration's failing agenda that is hurting all Americans.
