State Representative Don Vruwink (D-Milton), issued the following statement regarding the recent redistricting decision by the Wisconsin Supreme Court:

**“While I am disheartened by the recent redistricting decisions made by the U.S. Supreme Court and Wisconsin Supreme Court, I recognize the courts have made their rulings and it is time for us all to move forward because there is so much work to do after the November elections and beyond. Representing voters in the 43<sup>rd</sup> Assembly District has been a great honor, and I have enjoyed getting to know so many hard-working, thoughtful, and community-minded people on both sides of the aisle over the past six years.”**

**“With the recent Supreme Court decision, my hometown of Milton is now in the 33<sup>rd</sup> Assembly District, and after taking some time for personal reflection, having conversations with my wife Beth, and hearing from so many people in the new parts of this district encouraging me to seek a term in a new district, I have decided to seek another term in the Assembly.”**

**“Serving my community and being a champion for constituents is a**

**pleasure and privilege. From teaching students and serving on the school board, to coaching high school athletes and serving in the State Assembly, I bring a unique passion and perspective to the State Capitol that puts people and our community first. I am very excited to launch my campaign to be the next State Representative from the 33<sup>rd</sup> Assembly District, and I look forward to introducing myself to voters, hearing what matters most to them, and earning their trust as I seek another term.”**
