US 14 will close for 28-days between WIS 138 and WIS 92 in Dane County starting July 18, 2022. The posted detour will follow WIS 138, WIS 59 and WIS 104. WIS 92 will also remain closed at the US 14 intersection for the remainder of the project. The work zone will remain open to local residences and businesses.

This closure is necessary so crews can construct a roundabout at the US 14 and WIS 92 intersection, resurface four miles of US 14, and widen the paved shoulders by two feet, between WIS 138 near Oregon and WIS 92. In addition, crews will flatten the slope on US 14 near the County A intersection to improve sight lines, and install centerline and shoulder rumble strips.

Construction is scheduled for completion in September 2022. The schedule is dependent on favorable weather conditions and construction progress. More information on this project can be found at [projects.511wi.gov/us14-wis92/](https://projects.511wi.gov/us14-wis92/).
