Although Not Selected for the Build Back Better Grant, the Coalition Remains Focused on Creating Pathways to Progress for the Forest Products Industry.

Madison ...The Wisconsin coalition vying for the federal Economic Development Administration's (EDA) Build Back Better Regional Challenge Grant released the following statement regarding today's announcement:

“While we are disappointed that we were not selected to receive this grant, we are very proud of the strong, diverse coalition that we have been able to assemble, and we will continue to work together to create opportunities for the forest products industry and pathways to progress for our rural Wisconsin communities.”
