MADISON, Wis. - As Ron Johnson travels across Wisconsin trying to rewrite his out-of-touch and self-serving agenda that has come at the expense of Wisconsinites, here are a number of questions voters deserve answers to:

1. Do you think it's fair to everyday Wisconsinites that there are special tax loopholes that only the wealthy like yourself can take advantage of to save millions of dollars in taxes?
 - How many millions of dollars did you and your family save from not paying state income taxes on Pacur or your family trust fund?
2. Would you still cosponsor the 2011 federal abortion ban that made no exceptions for rape, incest, or the life of the mother?
3. Would you vote again to raise the retirement age to 70?
4. Would you vote again to cut Social Security and Medicare funding?
