MADISON, Wis. – In response to reports that Senator Ron Johnson will break his two term pledge and run for a third term in the Senate, **Democratic Party of Wisconsin Chair Ben Wikler** released the following statement:

“Wisconsin voters will relish the opportunity to fire Ron Johnson, who has used his senatorial power to enrich himself and his wealthiest donors at the expense of the middle class. Johnson’s relentless attacks on working families, health care, and the bedrock principles of American democracy disqualify him from a third term, and his presence on the ballot will ensure that voters turn out in record numbers to defeat Republicans at every level.”
