**MADISON, Wis.** - The [leak of a draft Supreme Court opinion](#) that would overturn the decades-long precedent of *Roe V. Wade* is placing Ron Johnson's vehement anti-choice record back in focus.

*Here is Ron Johnson's abysmal anti-choice record:*

- When discussing the impact repealing *Roe v. Wade* would have, Johnson stated: ["I don't view that \[as\] such a huge threat to women's health. I think - I think things would be just fine."](#)
- Johnson said if individuals don't like the abortion laws in their state, they simply ["can move."](#)
- Johnson has advocated for a federal ban on abortion after 20 weeks and signed on to [an amicus brief](#) urging the Supreme Court to uphold Mississippi's law that banned abortion after 15 weeks of pregnancy, jeopardizing the reproductive rights of millions across the country.
