**MADISON, Wis.** - Yesterday, [at an American Legion event](#) Ron Johnson attempted to explain away his record of [voting against health care for veterans](#) and [threatening funding for Social Security and Medicare](#). Unfortunately for Senator Johnson his actions speak for themselves.

“Wisconsin veterans are sick and tired of Ron Johnson putting his self-serving agenda ahead of standing up for them. They will not forget that when it mattered most Johnson played political games with their health care and is on a crusade to cut critical programs like Social Security and Medicare,” said **Democratic Party of Wisconsin Senate Communications Advisor Philip Shulman.**
