**MADISON, Wis.** - Today, one hundred days out from the general election, **Democratic Party of Wisconsin Chair Ben Wikler released the following statement:**

“One hundred days out from the general election, voters across Wisconsin are mobilizing and energized to re-elect Governor Evers, fire Ron Johnson, and elect Democrats up and down the ballot. Republican politicians continue to push a dangerous and unpopular agenda that threatens Wisconsinites’ access to health care, retirement benefits, and basic human rights – and this election, with fights for critical offices at every level of the ballot, will serve as a choice between an ultra-MAGA agenda and moving Wisconsin forward.”
