MILWAUKEE, Wis. - Following tonight's debate, **Democratic Party of Wisconsin Chair Ben Wikler** released the following statement:

"Tonight's debate re-affirmed that Senator Ron Johnson has completely lost touch with Wisconsinites and there is only one person in this race who will serve Wisconsin: Mandela Barnes. Ron Johnson is in Washington working for himself and his biggest donors—whether it's taking away Wisconsinites' reproductive freedoms, trying to cut Social Security and Medicare, or enriching himself. Lt. Governor Mandela Barnes understands Wisconsinites – he is the son of a public school teacher and a third shift UAW worker and a champion for the middle class who will bring manufacturing back home and fight for working people."
