**MADISON, Wis.** — In response to Ron Johnson voting against the Inflation Reduction Act of 2022 that would lower prescription drug costs and make the ultra wealthy pay their fair share in taxes, Democratic Party of Wisconsin Senate Communications Advisor Philip Shulman released the following statement:

“Ron Johnson has completely lost touch with Wisconsinites as he once again put his self-serving agenda ahead of their best interests, this time voting against lowering prescription drug costs and making the ultra-wealthy pay their fair share in taxes. In November, Wisconsinites will hold Ron Johnson accountable for selling them out to Big Pharma, Big Oil, and his special interest pals.”
