[Madison, WI] – Tony Evers is continuing his dishonest campaign that misrepresents his failed record. In a new ad, Tony Evers once again says that he’s working with Republicans – but history proves otherwise.

Evers wants voters to believe that he works across the aisle, but he notoriously [doesn't speak](#) to Republican leaders in the Capitol, took credit for their historic tax cut after he tried to [raise taxes](#) by \$1 billion, and even [secretly recorded](#) their conversations.

“Tony Evers talks out of both sides of his mouth,” said Republican Party of Wisconsin Communications Director Anna Kelly. **“He launched his campaign by running against Republicans’ agenda, but now, he’s claiming to work across the aisle and taking credit for their accomplishments. Evers can’t have it both ways.”**
