[La Crosse, WI] – As Democrats arrive in La Crosse for the Wisconsin Democrats' 2022 State Convention, they will be greeted by new billboards highlighting their harmful policies that have devastated Wisconsin families. Today, the Republican Party of Wisconsin unveiled three new billboards showcasing how Democrat policies have enabled historic inflation and rising crime across the state.

Bidenflation cost the average Wisconsin household over \$600 last month alone and the supply chain remains crippled, yet Tony Evers has proposed new tax hikes to pay for even more bloated government spending. Meanwhile, as violent crime rates surge in Milwaukee and throughout Wisconsin, Democrats like Mandela Barnes are trying to abolish ICE and end cash bail.

“Democrats will spend the weekend ignoring historic inflation and rising crime, but Wisconsin voters deserve the truth,” said Republican Party of Wisconsin Communications Director Anna Kelly. “Try as Democrats might to hide their record, Wisconsinites are reminded of their failures every time they buy groceries or fill up at the pump.”

The billboards on inflation and supply chain issues will run from June 23-26 along I-90, while the billboard highlighting Democrats' enabling of rising crime will run from June 24-26 on Highway 53 near Downtown La Crosse.
