This morning at the Wisconsin Democrats' convention, the candidates for U.S. Senate will try to duck their party's terrible record of skyrocketing inflation, record-high gas prices, out-of-control crime, and a crippled supply chain. A few things to keep in mind:

- **Mandela Barnes** would threaten public safety, as he promotes [eliminating](#) cash bail, [supported](#) 'Abolish ICE' while waffling on 'Defund the Police', and [fanned the flames](#) of violence during the riots in Kenosha.
- New York trust fund baby **Alex Lasry** [followed](#) his hedge fund manager daddy to Wisconsin in 2015 and remains out-of-touch with Wisconsinites – supporting increased [spending](#), [ending the filibuster](#), and [federal control of elections](#).
- Serial [embellisher](#) **Sarah Godlewski** wants Wisconsinites to vote for her – even though she can't be bothered to [vote](#) herself. Meanwhile, she continues to [exaggerate](#) her accomplishments and make claims she [can't verify](#).
- **Tom Nelson** supports [far-left policies](#) that Wisconsinites can't afford, such as Medicare for All, the Green New Deal, and [increasing taxes](#) on oil producers while gas prices are at all-time highs.

“Democrats like Mandela Barnes, Alex Lasry, Sarah Godlewski, and Tom Nelson want to duck, dodge, and distract through November, but as Democrat policies continue to fail, they can't hide from the truth about their records. Desperate attacks against Republicans are the only message Democrats can drum up as they refuse to face reality while Wisconsin families struggle.” – Republican Party of Wisconsin Rapid Response Director Mike Marinella
