In response to Rep. Alexandria Ocasio-Cortez's endorsement of Mandela Barnes, and a new [Marquette poll](#) showing voters favoring Mandela over Sen. Ron Johnson, Wisconsin Working Families Party State Director Jake Spence said:

“As Republicans continue to make outrageous power grabs and bulldoze basic norms, it's no surprise that more and more voters and progressive leaders are lining up behind Mandela. Mandela is the clear progressive choice in this race, and he's got the vision, courage, and experience it takes to fight this right-wing minority from Washington. It's more critical than ever that we flip this seat and send Ron Johnson packing — and Mandela is just the leader to do it.”
