**WISCONSIN — May 19, 2022** — Wreaths Across America (WAA) is proud to announce that its Mobile Education Exhibit (MEE), will be making stops in Wisconsin to honor those who served and welcome home Vietnam veterans.

“The goal of the Wreaths Across America Mobile Education Exhibit is to bring the community together and teach patriotism while remembering the service and sacrifice of our nation’s heroes,” said Karen Worcester, executive director, Wreaths Across America. “However, over the last year, in light of the current health crisis, we feel this exhibit has taken on even more meaning by providing the opportunity for people to safely participate in something that is both educational and inspiring while supporting and giving back to the communities it visits.”

The MEE achieves this goal by bringing the local community, veterans, active-duty military and their families together through interactive exhibits, short films, and shared stories. The exhibit serves as a mobile museum, educating visitors about the service and sacrifice of our nation’s heroes as well as serving as an official ‘welcome home’ station for our nation’s Vietnam Veterans.
