**Milwaukee, Wisconsin**—Today, President Biden visits Milwaukee to tout his failing economic agenda, better known as “Bidenomics.” Upon the President’s third visit to the Badger State this year, Americans for Prosperity-Wisconsin (AFP-WI) is reminding Wisconsinites that President Biden’s economy is still failing.

**AFP-WI State Director Megan Novak made the following statement:**

“As President Biden arrives in Milwaukee this Christmas season touting his top-down policies, Wisconsin families are still struggling under this ‘Bidenomics’ economy. All Wisconsinites really want for Christmas is lower inflation and affordable energy.”

Through broad-based grassroots outreach, *Americans for Prosperity (AFP)* is driving long-term solutions to the country’s biggest problems. AFP activists engage friends and neighbors on key issues and encourage them to take an active role in building a culture of mutual benefit, where people succeed by helping one another. AFP recruits and unites Wisconsinites behind a common goal of advancing policies that will help people improve their lives. *For more information, visit [www.-
