Recent coverage of **conservative Wisconsin Supreme Court candidate Dan Kelly** highlights some of his most extreme views, including a history of opposing LGBTQ+ rights and long-standing ties to anti-LGBTQ+ organizations. Reports have also shown his [hypocrisy](#) on the First Amendment — he’s all in favor of laws that give preference to one religion over another — and his [inclusion](#) of cops with highly unethical track records in a campaign ad is another troubling development.

“This race will have a major impact on Americans in Wisconsin and across the country,” **said Dallas Prater, a spokesperson for American Bridge 21st Century.** “Abortion rights, labor rights, voting rights and even fair redistricting are [all at stake](#). As we get closer and closer to election day, it’s crystal clear that Dan Kelly is unfit for this seat.”
