MADISON, Wis. — Today, Planned Parenthood Action Fund announced their support for Tammy Baldwin's U.S. Senate reelection campaign.

"I'm proud to have Planned Parenthood Action Fund's endorsement as we work hard to restore the right to choose here in Wisconsin and nationwide," **said Tammy Baldwin.** "Planned Parenthood Action Fund has been at the forefront of the fight to ensure every American has access to the reproductive health care they need. And I know that with their support, we are going to make sure that no politician and no judge can stand between you and making your own health care decisions."

"Planned Parenthood Action Fund is thrilled to announce its endorsement of Senator Tammy Baldwin's reelection campaign," **said Planned Parenthood Action Fund President and CEO Alexis McGill Johnson.** "Following the overturn of Roe v. Wade, Senator Baldwin has been leading the fight to restore abortion rights and spearheading legislation that protects reproductive health care access for millions of Americans across the country. With her strong record and relentless advocacy as a reproductive rights champion, it is critical that Wisconsin reelects Senator Baldwin to the U.S. Senate in 2024."

Tammy Baldwin has served Wisconsin in the Senate since 2013. She has worked with Republicans and Democrats to take on the biggest fights and win, passing legislation to promote Made in America manufacturing, lower the price of prescription drugs like insulin, and expand health care for veterans. She is the

author of the *Women's Health Protection Act* which guarantees equal access to abortion everywhere in the United States.
