Posted on Wednesday, May 3, 2023

President Biden's campaign has launched a second TV ad in Wisconsin since announcing his reelection bid, this one touting 12 million jobs created.

The ad is part of a two-week, seven-figure buy Biden first announced last week. It includes national cable, as well as digital platforms in key states. That includes the Milwaukee, Green Bay and Madison markets.

The 60-second spot features Biden saying his economic plan "is about investing in places and people that have been forgotten" and says "it's about damn time we're doing it."

The narrator says, "Biden's building an economy that leaves no city, no town, no American behind."
