

Capitol Chats: Acting Public Defender York says raises helped staffing issues, but some problems remain

Posted on Friday, Oct 27, 2023

In this week's Capitol Chats podcast, acting State Public Defender Katie York is in the office to talk about how she's doing since outgoing SPD Kelli Thompson gave her the reins earlier in the year. She says recent pay raises have helped some with staff vacancy issues, but she has a lot of other projects to work on now too.
