

# **Clean Wisconsin's Kanter pleased with \$125 million PFAS trust fund, but concerned with policies**

Posted on Wednesday, Jun 7, 2023

On this week's Capitol Chats episode, Clean Wisconsin Government Relations Director Erik Kanter talks about a proposal to spend \$125 million on a state PFAS trust fund. Kanter says the money is important, but he's concerned with the proposal's restrictions on how the Department of Natural Resources can regulate PFAS contamination and cleanup efforts.
