Tonight, President Biden's State of the Union address sent a clear message to Wisconsinites: Democrats seek to build upon their historic results and economic progress, and tackle the challenges everyday, working Americans face. This resounding message stands in clear contrast to Derrick Van Orden, who is [beholden](#) to his party's extreme agenda, and the MAGA extremists who control Republican leadership.

Rather than work with Democrats to find solutions that will help everyday families, Van Orden has given his full support to MAGA extremists and an agenda that seeks to [gut Social Security and Medicare](#), [ban abortion nationwide](#), use the full faith and credit of the United States as a [bargaining chip](#), [protect wealthy tax cheats](#), [extend Republicans' tax giveaways](#) for the wealthy, and prioritize MAGA-led [political investigations](#).

DCCC spokesperson Tommy Garcia:

"President Biden's speech reminds voters they deserve representatives who will fight for their jobs, communities, health, and safety – not people like Rep. Derrick Van Orden who want to use their power to enable far-right extremists, rip away their reproductive freedom, protect and empower wealthy tax cheats, play political

games with the American economy, and prioritize political investigations.”
