MADISON, Wis. — Today, the Democratic Party of Wisconsin launched a new website calling out far-right Wisconsin Supreme Court candidate Dan Kelly's anti-abortion extremism.

Kelly has long been intertwined with some of the leading anti-abortion special interest groups, to include providing legal counsel to Wisconsin Right to Life, which is actively lobbying for the full enforcement of the state's 1849 criminal abortion ban. As a reward for his years of work to strip Wisconsinites of their basic freedoms, all three leading anti-abortion groups in Wisconsin, including his former client Wisconsin Right to Life, have endorsed Kelly's candidacy.

"Dan Kelly has proven in his campaign that on Supreme Court, he will be nothing more than a lackey for GOP extremists seeking to enforce Wisconsin's 1849 criminal abortion ban," said **Democratic Party of Wisconsin Communications Director Joe Oslund**. "Kelly can't hide from his long history of legal work for some of the GOP's most radical fringes, including Wisconsin Right to Life. Dan Kelly is simply too extreme for Wisconsin."
