**July 26, 2023** – On March 8, 2023, USDA Rural Development issued a 90-day public notice informing the public that USDA was conducting a periodic review of all areas under its jurisdiction to identify areas that no longer qualify as rural for housing programs. The 90-day public notice listed communities under review for potential eligibility changes and provided the public with a link to submit comments or concerns regarding any potential loss of eligibility.

In accordance with 7 CFR 3550.56 and HB-1-3550, Section 5.3 (C)(1), USDA Rural Development has concluded the 90-day public notice and comment period and has reviewed areas under its jurisdiction to identify areas that no longer qualify as “Rural” for housing programs as well as areas that will now be considered as eligible rural areas.

During the 90-day public comment period, a [total of \(20\) public comments were received for Wisconsin](#). Thank you to all those who submitted comments. Public comments help the Agency better understand how communities are impacted from a potential change in eligibility and are considered throughout the determination process.

For a complete review of comments received, or questions regarding rural area boundaries, please contact Single Family Housing Program Director, Lisa Paulson at 715-635-8228 x 113 or via email at [lisa.paulson@usda.gov](mailto:lisa.paulson@usda.gov).

**The updated rural area map can now be viewed on our eligibility website:** <https://eligibility.sc.egov.usda.gov/eligibility/welcomeAction.do> Users will need to click on the program, for example “Single Family Housing Direct” or “Single Family Housing Guaranteed,” and then click on the “Accept” button on the disclaimer page, if presented, and then click on the “Proposed Eligibility Areas” tab.

Revised rural boundaries will become effective **October 1, 2023**. For areas whose designation will change from rural to non-rural, a one-time notice will be published 30 days prior to implementation date confirming the updated boundaries.
