Local governments and other eligible institutions can learn how to apply for safety program funding when The Wisconsin Department of Transportation (WisDOT) hosts a webinar on the topic on **July 27, 2023, from 9:00am-10:30am (CST)**.

The webinar will cover program eligibility requirements, application deadlines and match requirements for WisDOT's Highway Safety Improvement Program and the National Highway Traffic Safety Administration.

Participants will also hear about the federal Bipartisan Infrastructure Law and resources that have been developed to assist with federal discretionary grant submissions. There will be an opportunity for questions throughout the presentation.

Interested individuals may register for the webinar here:
