MADISON, Wis. – Family Friendly Action PAC released the following statement today, celebrating Janet Protasiewicz's victory in the crucial Wisconsin Supreme Court race:

## **Brita Olsen, Family Friendly Action PAC Wisconsin State Director:**

“Yesterday, voters across the Badger State sent a clear message: they want a Supreme Court Justice who shares their values and who will bring common sense to the state's highest court. Justice-elect Janet Protasiewicz has a proven record of practicing fairness and impartiality, and treating Wisconsinites with decency and respect.

“As our next Supreme Court Justice, Protasiewicz will protect the freedoms that matter most to working families, many of which we have seen threatened and revoked over the past few decades. With issues like reproductive health care and same-sex marriage at stake, Protasiewicz will move Wisconsin forward.

“Family Friendly Action PAC is proud to have supported Protasiewicz, and we look forward to the return of common sense to the Wisconsin Supreme Court.”
