MADISON — Gov. Tony Evers today congratulated high school seniors for their upcoming graduations in a video message that is available for use during commencement ceremonies [here](#). A transcript of the message is available below.

*Hello, graduates! Governor Tony Evers here.*

*Congratulations on your graduation and reaching this milestone.*

*I speak for all your family, friends, and loved ones when I say we're all so proud of you.*

*You've spent the past few years pouring your time and energy into papers, projects, extracurricular activities, sports, you name it—and your hard work has paid off.*

*Now, you're taking a step into the next chapter of life, whether that's onto college, a tech school, or joining our workforce, and you will be able to take everything you've learned and bring it with you on the adventures that lie ahead.*

*On behalf of the state of Wisconsin, congratulations, Class of 2023, and best of luck in your future endeavors.*
