MILWAUKEE, Wis. – Today, Judge Janet Protasiewicz's campaign for Wisconsin Supreme Court released two more TV ads, highlighting extremist Dan Kelly's record of insulting seniors receiving Social Security and extreme views on abortion. These ads are part of the campaign's statewide, record-breaking, television advertising campaign which is now up to \$10.3 million.

Dan Kelly is an extremist and he has made his personal views loud and clear to Wisconsin voters. He believes that abortion should be banned, even in cases of rape, incest, and the health of the mother. Not only has Dan Kelly stated his extreme anti-abortion stances, he has also received endorsements from Pro-Life Wisconsin and Wisconsin Right to Life – radical anti-abortion organizations that are actively working to take away women's rights.

Dan Kelly also holds extreme views toward Social Security. In recently exposed blog posts, he compared Social Security to "slavery" and has stated "people who have chosen to retire without sufficient assets to support themselves." Dan Kelly's views are harmful, offensive, and oppressive to Wisconsinites in all corners of the state.

As a community leader, veteran prosecutor, and Circuit Court judge, Judge Janet Protasiewicz has dedicated her career to defending the law and the constitutional rights of all Wisconsinites. Judge Janet knows that the people of Wisconsin expect and deserve more from their Supreme Court. That's why she's running – to restore integrity to the state's highest court and ensure that everyone's rights are protected.

Earlier this week, the campaign released two ads that bring attention to Dan Kelly's lack of [ethics](#) when he was on the bench and his extreme [anti-abortion views](#).

“Gavel”

On abortion rights...

Do you want extremist Dan Kelly holding the gavel?

Kelly wants abortion banned even in cases of rape, incest, and the health of the mother.

He will uphold the 1849 criminal abortion law that allows doctors and nurses to be jailed for performing abortions.

And he'll strip women of their freedom to make their own decision on abortion.

So don't give Dan Kelly a gavel with your vote.

He is just too extreme.

“Assets”

I paid into Social Security my whole life.

Now I depend on it.

We earned it.

But extremist Dan Kelly doesn't think so.

He said Social Security is like slavery.

And Kelly wrote that seniors on Social Security are “people who have chosen to retire without sufficient assets to support themselves.”

What a jerk.

That tells you a lot about the kind of judge he'll be on the court.

He's an extremist.

He's too extreme.

He doesn't care about us.
