

# **Kaul won't say if or when he'll bring fake elector charges, talks clergy abuse probe, abortion suit**

Posted on Wednesday, Aug 23, 2023

In this week's Capitol Chats episode, Dem AG Josh Kaul won't say if he plans to charge any of the 10 fake electors in Wisconsin as other AGs have brought similar cases in their states. He also talks about pushing for closure for survivors of clergy abuse and the future of his lawsuit to make the state's 1849 abortion ban unenforceable.
